Subject: Great speakers!

Diane,

Just wanted to alert you to a pair of great speakers' We just had our annual training day for our staff and brought in TIDI Border and Doug Nielsen (Tim & Doug) as our speakers for a full day. They were outstanding and I am certain the CCUL would benefit from having them for one of your events.

They presented their session on "Who's at the Helm?" - 3 keys to ownership and empowerment. Their presentation format is a combination of magic, vocal singing, and speaking. They have excellent credentials. I am sure the League would get a great response by having them as speakers sometime. CEFCU had a great response from our staff. If you want any first hand feedback, don't hesitate to give me a call. By the way, their web site is www.timanddoug.com. See you soon'
